Accessing Accelerated Reader from home.

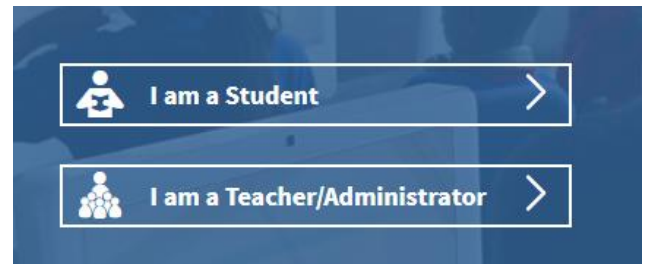

Link to access the site for your child:

Sherburn:

<https://ukhosted102.renlearn.co.uk/6704549/>

Luttons:

<https://ukhosted102.renlearn.co.uk/6708599/>

Select 'I am a student' and log in as you would in school. **Your child does this regularly and should not need any support to do this.**

All children who have access to Accelerated Reader (AR) will know their user name and password. Please contact your class teacher if you are having trouble logging in.

You will also be able to access the quizzes for some of the books from home that your child is reading. Simply search the title of the book, find it from the list that appears and complete the quiz.

You can also use : <https://www.arbookfind.co.uk/>

To find books that you have at home that have a linked quiz.

Please remember that the ZPD level is there as a guide, if your child would like to read a book out of this then they totally can. However, if the ZPD is higher, please check that this is accessible to them.

****PLEASE NOTE****

If your child is still accessing phonetically decodable books, they will not yet be accessing this platform. Please contact your class teacher if you are unsure.

Thanks – HAPPY READING!!
