## **Newsletter – 13<sup>th</sup> January 2023**

Dear Parents and Carers,

It's the end of another busy week! The children have been working so hard this week in all areas of the curriculum. They are also really beginning to remember our 3 behaviour expectations too - we have had especially respectful, kind, helpful, friendly, resilient children this week.

We have had so many children in all classes with 100% attendance this week which is amazing! We realise that children do get poorly and that some absence, for genuine illness, can't be helped. However, 100% is the aim!

A polite reminder that our school gates open at 8.35am and close at 8.45am. Children need to be in school by 8.45am ready to start the first session. Arriving late can be upsetting for a child when they have to walk into an already settled class. If you need to speak to us about getting your child to school, please do let us know.

Have a lovely weekend!  
Best wishes  
Mrs Mould
