## Sherburn News — Friday 10th November

A message from Mrs Mould.....

Dear Parents and Carers

It's been another lovely week in both schools this week. All year groups have been thinking about Remembrance Day and our assembly theme this week - Thankfulness - was tied into this. The children have been learning about the reasons for having Remembrance Day and the importance of taking part each year. There have been some incredibly thoughtful and moving poems written by both Key Stage 2 Classes and some beautiful poppies created by our younger children. Thank you to those parents and carers who were able to join us for our assemblies today and took part in the one minute silence with the children and staff.

I'd like to take this opportunity to remind you all that there are meetings at each school on Monday November 13th with Gail Brown and Dave Barber from Ebor Academy Trust. They are coming to meet parents and to share information about Ebor as a Trust and to discuss the academisation process. All parents and carers are welcome. The meetings will take place at Luttons 5-6pm and at Sherburn 6.45-7.45pm.

I wish you all a lovely weekend.

Best wishes, Mrs Mould

### PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

### Forest School Days

On Forest School day (Thursday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

# Our learning this week....Early Years

This week Early years have been super busy recreating their own firework displays! We have had a blast using different colours and patterns to light up our pages. We even created our own rules on how to stay safe when watching/handling fire works.

# Our Learning This Week.....Class 1

What a super start to the half term!

The children came in raring to go on Tuesday. This week we have started looking at a poem called Firework Night, a list poem that describes fireworks and bonfires. In maths the children are continuing to develop their addition and subtraction skills.

In PSHE we learned about different emotions and how to express them.

## Our Learning This Week.....Class 2

Class 2 have been busy learning and putting together their own Remembrance Day Poems. They have chosen a background, water coloured it ready to write their written poem onto these. The children have done a fantastic job using rich emotive language for these and worked exceptionally hard.

We have started our new geography topic, which this term is all about volcanoes. The children created their own Earths  $\square$  and labelled the 4 layers with interesting facts.

# READING CAFE AND PHONICS WORKSHOP

## READING CAFE

## TEA AND COFFEE

Enjoy a cup of tea or coffee and maybe a biscuit or 2!

## READING

Share your favourite book with your child(ren) - you could read to them or they could read to you!

## LEARNING TO READ

Although your child will be taught to read at school, you can have a huge impact on their reading journey by continuing their practice at home.

## HOW YOU CAN HELP AT HOME

Come and find out how you can help your child learn to read at home.

## FIND OUT MORE ABOUT PHONICS...

The phonics workshop will include an exclusive look into a phonics lesson and will include:

- What is phonics?
- What is meant by decodable and how to support your child at home.
- A closer look at some of the terminology used when teaching phonics.

**Children in Need 2023  
Friday November 2023  
“Be Spotacular!”**

November 9<sup>th</sup> 2023

Dear Parents/Carers,

On Friday November 17<sup>th</sup> we will be holding our Children in Need day in school and the children can come to school in a Pudsey themed outfit of their choice. This may include Pudsey t shirts or anything spotty. The theme of this year’s fundraiser is “Be Spotacular!” so it would be good to see as many spotty clothes as possible! The children will, however, still need to wear suitable footwear and bring a coat for playtimes.

During the day, the children will take part in class based discussions about the purpose of Children in Need, following on from our assemblies earlier in the week.

We will also be having a sweet jar competition. Each class will have a jar of sweets and for 50p per go, the children can have a guess at how many sweets are within each jar. All proceeds will go to Children in Need.

We would be grateful if the children who come to school in non-uniform bring a donation of £1 to show their support for Children in Need.

Thank you for your continued support.

Best wishes  
Mrs Mould  
Interim Headteacher
