A message from Mrs Mould.....

Dear Parents and Carers

As we are heading towards the half term holiday, it is a good opportunity to look back at the half term so far and reflect on the progress that the children have made so far. Our new curriculum is now being embedded and the children are showing a real enthusiasm for their learning across all subjects. There will be an opportunity early in the new half term for parents and Carers to come into school for the children to show you around and celebrate their work with you. More details will be shared after half term.

Please could I politely remind all parents and Carers to be considerate when parking outside school at drop off and home time. Please ensure that all cars are parked away from the yellow zig zag lines immediately outside the school. Thank you in advance for your support and co-operation with this.

As the weather begins to get colder - and possible wetter - a reminder, please, that all children should be bringing a coat to school with them each day.

I wish you all a lovely weekend.

Best wishes, Mrs Mould

PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

Forest School Days

On Forest School day (Thursday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

Our learning this week...Early Years

A wonderful week in Early Years! We worked as teams in P.E and worked together to build jigsaws. We have learnt about the number 4 and how we can double numbers. We have been very creative in our paintings and have worked super hard in phonics.

Our Learning This Week.....Class 1

In Class 1 this week, we have started a new book in English calls Stardust which tells the story of a little girl. The children have been building banks of vocabulary for their story writing at the end of the unit.

In Maths, we have started to look at addition and subtraction - the children would benefit from lots of practise with number bonds to 5 and 10 at home. Please see Miss Childs or Mrs Jarvis for more info on this.

The children loved creating their own plant pots and planting the seeds they found in Forest school last week.

Our Learning This Week.....Class 2

Class 2 have been busy learning the lyrics ready for harvest festival on Monday.

We have all been working hard in maths:

Year 3s have been identifying specific patterns and applying addition knowledge.

Year 4s have been adding using more than one exchange and developing onto subtraction.

Year 5s have completed multi step mathematical problems

Year 6s are focusing on long multiplication.

In English we have started to put our fantastic ideas into our own non-chronological reports based on the human body.

HELP REQUIRED

Luttons Community Primary School are looking for external help to undertake basic repairs and maintenance.

The work will be ad-hoc on a casual basis.

The ideal candidate will be self employed and undertaking a similar role. We need someone who is trust-worthy and reliable and has good DIY skills.

This will involve working in school performing basic repairs and also some general tidying up of our outside spaces.

Standard pre-employment checks including references will be required. A DBS enhanced check will need to be in place prior to undertaking any work for the school. Full safeguarding training will be given to the successful candidate.

If you know of anyone who you think would be suitable for this role, please ask them to contact Mrs Melanie Warren at school.
