Sherburn News — Friday 6th October

A message from Mrs Mould.....

Dear Parents and Carers

It has been lovely this week to spend some time in the classrooms and see the children's learning. They are all so engaged and staff report that they are showing increased levels of resilience and always trying their best. The children have been keen to share their learning and it is exciting to see this enthusiasm! They are also talking about their learning with more confidence and their new knowledge is really shining through.

One of our highest priorities this year is Reading - both in terms of learning to read and reading for pleasure. We will be sharing more information about this in the coming weeks and sharing ideas of how you could support and help your child with their reading.

I wish you all a lovely weekend and look forward to seeing all our children and families again next week.

Best wishes, Mrs Mould

PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

Forest School Days

On Forest School day (Thursday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

Our learning this week....Early Years

Our Learning This Week.....Class 1

The children have been producing their own weather reports in Science this week- including recording the weather and temperature. In music we have been learning traditional dances from different religions, we learned the traditional dance of Diwali last week. This week we have learned a traditional dance linked to the Celebration of Hannukah.

In Forest school the children braved the rain and went foraging for seeds and berries. They found lots of seeds that they will plant next week. They also found sloe berries and raspberries which they were able to try!

Our Learning This Week.....Class 2

This week we have been learning and practising our sign language. See if the children can remember any signs and show you what they've learnt.

The year 4s have continued to work hard with their multiplication tables. I have attached the website link for your children to continue this learning at home <https://www.timestables.co.uk/multiplication-tables-check/>

In PSHE the children have discussed and learnt all about online safety.

HELP REQUIRED

Luttons Community Primary School are looking for external help to undertake basic repairs and maintenance.

The work will be ad-hoc on a casual basis.

The ideal candidate will be self employed and undertaking a similar role. We need someone who is trust-worthy and reliable and has good DIY skills.

This will involve working in school performing basic repairs and also some general tidying up of our outside spaces.

Standard pre-employment checks including references will be required. A DBS enhanced check will need to be in place prior to undertaking any work for the school. Full safeguarding training will be given to the successful candidate.

If you know of anyone who you think would be suitable for this role, please ask them to contact Mrs Melanie Warren at school.
