A Message from Mrs Mould....

Dear parents and Carers

I've been really impressed with the children this week for showing a huge effort and great resilience when learning. There has been some beautiful writing published this week with amazingly creative illustrations to go with it. There have been some proud children and teachers this week!

Have a lovely weekend

Jo

Our Learning This Week.....Nursery

We were excited for our new topic of the three little pigs, we have looked in detail at the story, recreated the story using puppets and spent a lot of time trying to build the pigs houses that are safe and strong. We spent a long time designing and creating houses using junk modelling. We added nets to the chimneys, bars to the windows and made extra walls to keep the wolf out.

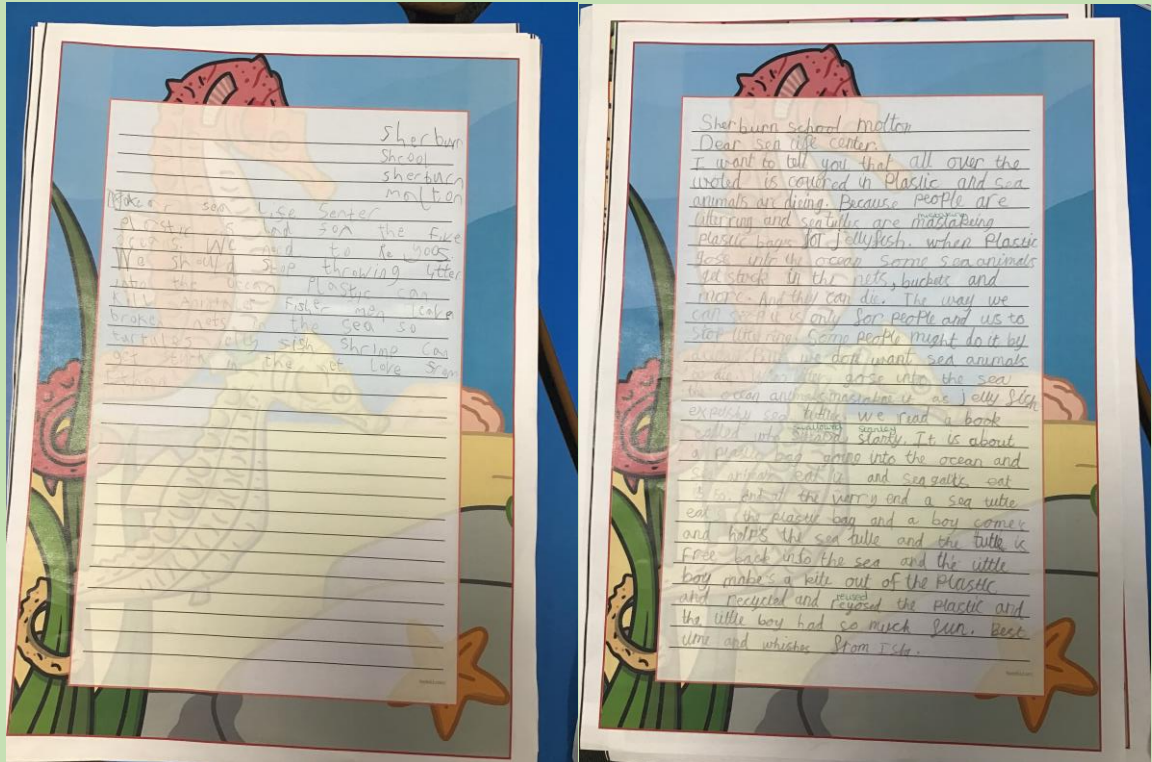

Our Learning This Week.....Class 1

In science this week we have looked at waterproof materials, we made our own boats and tested them in the water to see if they would stay afloat.

Our Learning This Week.....Class 2

This week Class 2 have listened to the story "Who swallowed Stanley?". They then wrote some beautiful letters to different people about plastic pollution, telling them how they can help and why it is so important to prevent plastic in the sea at all costs! The children have also enjoyed the new furniture in the reading area where they can read books together.

Our Learning This Week.....Class 3

Assessment week- the children have all worked so hard this week during their assessments. Well done. Music- this week we have become composers and made our own music to go alongside a clip from 'A Close Shave' - Wallace and Gromit.

Art- we are looking at different types of abstract and real artwork.

English- this week we have written letters based around the story 'Somebody swallowed Stanley' raising awareness of litter pollution.
