

THE WOLDS & VALE FEDERATION

Sherburn News — Friday 19th January 2024

Dear Parents and Carers

What a cold week it has been!

The children have really enjoyed exploring the ice and snow outside, and have taken any safety restrictions created, especially by the dangerous ice, in their stride. We are always so proud of the children and their resilience with weeks like this.

Spring Term is well under way now, and the children have all been busy working hard with their new topics. Key Stage 2 are turning to history this term and learning about the Anglo Saxons. The Early Years and Key Stage 1 Children are beginning to learn about the history of flight. We can't wait to emerge them in their learning and see what facts and knowledge they can share with you at home.

Class teachers are busy planning school trips linked to the learning taking place in the classroom. EYFS and Key Stage one will be visiting Yorkshire Air Museum at Elvington, and Key Stage two will visit Whitby Abbey - I know that these will both be fantastic days filled with lots of learning and wonder. More information for these to follow soon.

Have a lovely weekend, stay safe in this weather.

Best wishes

Mrs Mould

Attendance News

Whole School Attendance News

Our Federation Target is 97%

This week's whole school attendance was:
93.24%

Individual Attendance News

Well done to all the children who achieved 100% Attendance this week.

Class Attendance News

Early Years: 91.11%

Class 1: 96.25%

Class 2: 93%

Well done to Class 2 who will be enjoying their extra playtime.

Stars of the Week

Early Years

Henry

For always being a kind and considerate friend

Class 1

Scarlett

For Super effort with independent jobs and going above and beyond for tasks that have been set.

Class 2

Jake

For great perseverance in English

Riley

For being helpful, kind and an exceptional friend

Forests School Stars of the Week:

Early Years & Class 1

Alayah

For showing great compassion when helping others

Lower Key Stage 2

For Last Week

Upper Key Stage 2

For Last Week

Early Years

Mollie

For always trying her best and pushing herself in her learning

Class 1

Leo

For fantastic attitude to learning and continuing to be super in his maths this week

Class 2

Isla

For ALWAYS helping her peers and showing fantastic maturity

Brooke

For showing great confidence during class discussions to deepen her knowledge.

PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

Forest School Days

On Forest School day (Thursday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

Our learning this week....Early Years

This week in early years we have been focusing on our new science topic and explored our bodies and our senses. We have put our taste, sight, smell, hearing and touch to the test with different activities and challenges. The Children have been very brave and tasted lemons, blindly used nothing but their touch to determine objects and created their own signature scent.

Our Learning This Week.....Class 1

This week in Class 1 the children have continued their work with place value and money. In computing, they have started to plan how they will build a rocket and will use technology to plan, list and design what is needed for their rocket.

In PSHE we learned how to safe in the sun ready for some warmer weather, and in science the children used their sense of touch and taste to explore different foods - sweet, sour, salty.

Our Learning This Week.....Class 2

This week in maths the year 5 and 6s have investigated and learnt all about angles. The year 3 and 4s have embedded their multiplication knowledge and put it into practice.

In science we explored different types of rocks igneous, sedimentary and metamorphic ready for our experiment next week.

During RE the children have learnt about the wise man and the foolish man. They have also explored Jesus's teachings and examples that inspire Christians today.

Safeguarding

Safeguarding is everyone's responsibility.....

If you have any concerns about a child's safety, please contact the Safeguarding Team at school.

Designated Safeguarding Lead: Mrs Mould (Interim Head)

Deputy Designated Safeguarding Lead : Miss Kim Childs (Senior Teacher & SENCO)

Deputy Designated Safeguarding Lead: Miss Emma Trotter (Senior Teacher)
