Sherburn News — Friday 1st December

A message from Mrs Mould.....

Dear Parents and Carers

What a wintery end to the week! The children have been very excited to see the snow and have enjoyed playtimes!

It has been another great week across both schools. It is so lovely each week to see what the children are receiving the Star of the Week and Headteacher's notes for - this week alone we have had awards for Science, Geography, Maths and Writing. It is great to hear the children talking about their learning in all subjects with increased enthusiasm and confidence. Hopefully the Inspire afternoons will have given you a first glimpse of our curriculum and more details will be shared in the Spring Term, as well as another opportunity to join us for another Inspire afternoon.

Please take a moment to note the dates of the various Christmas events we have coming up in the next 3 weeks - we look forward to seeing you!

I wish you all a lovely weekend.

Best wishes

Mrs Mould

PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

Forest School Days

On Forest School day (Thursday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

Our learning this week....Early Years

Early years have had a chilly week out in the snow. We have explored how the snow feels and how it turns our noses and fingers red! We have loved watching the snow fall from the sky and land on our playground.

Our Learning This Week.....Class 1

This week we have moved onto shape in Maths, the children have learned the names and properties of 2D and 3D shapes, and have sorted them according to their properties. In English we have started a new topic based around writing a postcard.

In PSHE, the children learned the importance of relaxation and followed a guided relaxation video which they loved!

Our Learning This Week.....Class 2

In geography this week we have investigated the pros and cons of living near a volcano. The majority of the children made the choice to live well away from a volcano due to the cons they found.

We have now started to plan our own narratives including our own characters. The children are basing their narratives on the boy, the mole, the fox and the horse. I am excited to see what the children come up with.

In PE the children have continued with their dancing, looking at various patterns and when to introduce each member to the music.
