Sherburn News — Friday 23rd February 2024

Dear Parents and Carers

Another great week and start to the second half of the Spring Term!
All the children have come back into school happy and ready to learn.

K51 children had an amazing experience visiting the Yorkshire Air Museum on Wednesday. Although it was a little rainy and wet, this didn't dampen their excitement and enjoyment of their learning experience and they all had lots to talk about on their return - We have also seen some children writing about their experiences.

In the last half term the children were learning about Fundamental British Values and we were all very impressed with how they could not only remember them but what they meant!

Maybe you could ask them at home and see if they can tell you what they are?

This week, we have also been talking about perseverance and how it is very important not to give up, even if things are sometimes difficult. Again, the children gave some really mature responses to questions they were asked. We used Walt Disney as an example of someone who persevered. The children were amazed that the man who created Mickey Mouse was fired from his first job because he lacked creativity, imagination and good ideas! Little did they know! Just goes to show you should never give up your dreams!

Please remember, although I'm sure your children won't let you forget, that it is the K52 trip next Thursday. If anyone has any questions about the trip I am sure class teachers will be happy to answer them.

Hope everyone has a lovely weekend and we will see you on Monday

Ms Pattison (Acting Headteacher) and Mrs Evans (Associate Headteacher)

PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

Forest School Days

On Forest School day (Thursday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

Our learning this week...Early Years

What a wonderful week in Early years, making play dough, making cupcakes, water play and a trip to the Yorkshire Air Museum!

Our Learning This Week.....Class 1

This week we have had a very exciting trip to Elvington Air Museum, we learned about the history of flight, and made our very own paper helicopters in one session, then we had a tour of the air museum and looked at real life planes! We even got to climb into one and sit in it!

The children made us so proud with their behaviour and attitude all day - what a fantastic day! We will be following this up in class with a written re-count of the day in our English lessons.

Our Learning This Week.....Class 2

Class 2 have started their new science topic which this term we will be looking at light and shadows. The children went on a light hunt to find luminous and non-luminous objects.

We have also started our new geography topic where we will explore and research the importance of rainforests.

Class 2 are super excited that we are swimming this term so please make sure your child brings their swimming things every Thursday.
