Sherburn News — Friday 29th September

A message from Mrs Mould.....

Dear Parents and Carers

Another lovely week across both schools! It has been a real pleasure this week to talk to children about their learning and to hear them talk with such confidence and enthusiasm!

In our assemblies each week, we are beginning to learn more about our Federation Values - Respect, Kindness and Resilience. To begin with we have focussed on Respect. We talked about what respect is and how we can show respect to ourselves, to others and to our environments. We also discussed what respect looks like in and out of the classroom - especially in the playground.

Following on from our assemblies each week, the children have an opportunity to discuss what they have seen and heard in a Class visit to our Hubs. These Hubs are calm spaces where children can go as a class, small group or individually for well being teaching and learning and/or support. Each week, each class visit the Hub and discuss Big Questions linked to the assembly.

Following our assembly - the Big Question was What is Respect? How Can We Show Respect? The children's responses were amazing...

"Being kind to each other"

"Listening to each other"

"Having good manners"

"Helping our friends"

We are very proud of all our children for their hard work, their respect, their kindness and their resilience.

Have a lovely weekend.

Best wishes, Mrs Mould

PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

Forest School Days

On Forest School day (Thursday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

Our learning this week...Early Years

EYFS have had a super busy week! We have become computer scientists and seed hunters. We have been learning about how to use our Chrome books independently. We have also been learning how to find seeds and what there jobs are!

Our Learning This Week.....Class 1

What a busy week in Class 1!

We made natural paintbrushes in Forest School and then painted with them. The results were very different with the different materials - we used leaves, dandelions and feathers!

In RE this week we did mindful strawberry eating, trying to eat it super slowly while being thankful to God for all that he provides.

Our Learning This Week.....Class 2

History- this week the children have learnt all about Lord Shaftesbury and Victorian children's jobs. We investigated health risks and complications the children suffered from during these times.

Science- this week we have looked at nutrient and balanced diets. The children completed a mini fitness session to see what changed happened to their bodies. We discussed the average calories needed to be consumed daily.

Safeguarding

HELP REQUIRED

Luttons Community Primary School are looking for external help to undertake basic repairs and maintenance.

The work will be ad-hoc on a casual basis.

The ideal candidate will be self employed and undertaking a similar role. We need someone who is trust-worthy and reliable and has good DIY skills.

This will involve working in school performing basic repairs and also some general tidying up of our outside spaces.

Standard pre-employment checks including references will be required. A DBS enhanced check will need to be in place prior to undertaking any work for the school. Full safeguarding training will be given to the successful candidate.

If you know of anyone who you think would be suitable for this role, please ask them to contact Mrs Melanie Warren at school.
