## Sherburn News

Friday 23rd June 2023

Dear Parents and Carers

Another good week in both schools this week, with all children enjoying learning a wide variety of subjects.

The Key Stage 2 children have enjoyed learning about balanced arguments and have held debates in class over a wide range of issues such as "should dogs always be on leads in public places?", "should we always buy British food?" and "is technology good for children?". There have been some interesting thoughts and opinions shared and the children have learned how to debate - to form opinions and to listen and respect those of others - and to draw balanced conclusions. They have also enjoyed their Geography lessons, learning about human and physical features of the UK.

The Key Stage 1 children at Luttons have enjoyed reading letters from The Jolly Postman and deciding if they were formal or informal before thinking of writing their own, as well as weighing and measuring. The children at Sherburn have enjoyed following instructions to make fruit kebabs before the best bit - tasting them!

Early Years children have enjoyed being outside in the lovely sunshine and practising their writing skills.

As well as working hard, I have heard examples of the children being really resilient, kind and respectful of each other this week. We are really proud of all our children, across both schools, for having such positive attitudes and trying their best in all that they do.

Children at both schools have also been practising hard for their Sports Days - please keep your fingers crossed for good weather!

I hope you have a lovely weekend.

Best wishes

Mrs Mould

# Our learning this week...Early Years

This week we have designed, built, and sailed our very own junk modelling boats. We worked together to construct the boats and thought hard about how we could make them move across the water. We timed each of our boats to see which boat could move the fastest. We are so proud that all our boats stayed afloat.

# Our Learning This Week.....Class 1

Class 1 have been very busy this week! On Monday we completed a taste test for DT in preparation for the fruit salads that we will plan and make, then we followed instructions to make a fruit kebab as part of our English lesson. We are looking at instructions in English this week, we have explored the example text and learned about imperative verbs (bossy verbs). The children also looked at maps in Geography, and then created their own large scale maps in Forest school. Super team work, and following instructions from all children this week - well done.
