## Sherburn News — Friday 8th September

A message from Mrs Mould.....

Dear Parents/Carers

Welcome Back! I hope that you have all had a lovely Summer break, despite the weather not being great - until we come back to school!

It's typical!

The children have settled back into school so well this week. They have adapted to new classes, teachers and routines so well and we are really proud of them. We have already seen resilience, kindness, helpfulness, politeness, effort and pride in their work in abundance. All adults in both schools have commented on how impressed they have been with all children this week.

We especially welcome our new Nursery children in both school who have started with us this week. They have made a great start to school and have joined in with their new classes with real enthusiasm!

This week the children have enjoyed Art Week. All children have been using various materials, skills and techniques to compose self portraits. The work that the children have produced so far have been amazing and have, again, impressed all adults with the care and precision of some of the work. The portraits are not quite completed yet - but I can't wait to see the final pieces! Who knew we had so many artists in our schools?

I am really pleased to let you know that Mr Ellis will now be delivering PE lessons on a Friday as well as a Wednesday across both schools. This will mean that our children will receive 2 PE lessons a week from a PE specialist, as well as swimming for KS2 children (Luttons currently and Sherburn from February half term).

This is a great PE offer and we are delighted to be able to provide this for our children.

You will have seen messages about jewellery not being worn for PE, Forest School and Swimming lessons as well as clarification around wearing PE kits. There is more information within the newsletter this week. Please do take a moment to read through it.

To clarify - PE days are now Wednesday and Friday, Forest School days are Tuesdays (Luttons) and Thursdays (Sherburn) and swimming is on a Thursday (Luttons).

A reminder for your child to complete their Summer Holiday Reading Bingo Challenge this week and return it to your child's class teacher. Certificates will be given out in Celebration Assembly next week and there will be a prize for an extra lucky winner from EY/KS1 and KS2.

From next week, we will be letting you know on a Thursday if your child has been selected for a Star of the Week, Forest School Star of the Week or a Headteacher Note in Celebration Assembly on a Friday. This is so you may wish to make arrangements to come and join us for assembly as we know the children enjoy having their parents there as they achieve this. However, we would ask that you don't tell your child - we do like to surprise them in assembly!

I wish you all a lovely weekend - hopefully the sun will continue to shine!

Best Wishes

Mrs Mould

### PE Days and Kits

On PE days (Wednesday and Fridays) children will come to school in their PE kit and remain in their PE kits all day.

PE kit is a white t-shirt, black shorts and plimsolls or trainers for outside. As the weather gets colder, children can wear their school sweatshirts over their t-shirt—NO hoodies, or branded clothing. Just the school sweatshirt or a school fleece.

### Forest School Days

On Forest School day (Thursday) children are to come to school in their uniform but ensuring that they have their arms and legs covered. As we move into Autumn and Winter, this shouldn't be a problem as the boys will be wearing trousers and jumpers and the girls wearing trousers or tights.

Children may bring an extra sweatshirt/fleece to add as an extra layer when it is cold. They will also need a weather appropriate coat.

No jewellery is to be worn on PE, Forest School or swimming days. If children are able to take out and put back in earrings on their own they may do so. If they are not able to, they should not wear earrings to school on these days. Taping over earrings is not permitted.

# Our learning this week...Early Years

What a wonderful first week back we have had in EYFS! We have all settled back into a routine it is so lovely to see the children's positive attitudes towards learning.

## Our Learning This Week.....Class 1

Class 1 have had a wonderful start to the week with all children coming back and settling into classroom routines quickly. Everyone has been eager to get on independently and have taken all new challenges in their stride. We have been focusing on place value in maths - sorting and placing objects into selected groups, we are now working on counting to 10, 20 and 50. Any help and practise at home with this would be greatly appreciated. The Year 2 children have been fantastic at partitioning numbers into tens and ones!

In art this week, we have explored using wax crayons, felt tips and chalk. Then we used pencils to do an observational drawing of some Lego flowers.

A great start to the new year Class 1 - we can't wait to see what you achieve next week.

## Our Learning This Week.....Class 2

Welcome back, Class 2 have had a very busy week writing and sharing their summer holiday stories. We have also started our new art project which is looking at and creating self-portraits using a continuous line without taking our pencils off the paper... this was a huge challenge. We have also learnt new vocabulary such as monoprint, carbon paper and texture.
